IN THE DRIVER'S SEAT

A VISUAL JOURNEY OF DRIVING FUN

"The only real valuable thing is intuition."

- Albert Einstein

Thank you for subscribing to Turtle Garage. I have enjoyed all things motorized for as long as I can remember, from riding and tinkering with my first Honda 50 at age seven to restoring pre-war BMW motorcycles today. I don't always go for the most powerful or expensive vehicle. I like cars and motorcycles with interesting stories—about their design, production, ownership, or place in history.
